Harborfields High School  
Pre-Prom Reception  
June 24, 2011  
4:30 – 6:00 pm

**New Location: Mill Dam Bridge**

Harborfields High School has a wonderful tradition of gathering the whole senior class before the prom so that family and friends can celebrate together, and take beautiful Prom pictures. This year we have been granted permission to close the Mill Dam Bridge in Centerport, so that we will have a beautiful water view, and plenty of room for everyone to mingle across the bridge.

In order for this to be a successful event we must all be very cognizant of traffic and parking.

**First and Foremost:** Please have all buses, limo's, or any other vehicle transporting Prom attendees enter the Our Lady Queen of Martyrs church parking lot via Prospect road on the east side of Mill Dam. \*\*The Bridge will be closed for all traffic by 4pm.

**Second:** The Church parking lot across from the church building on Prospect road will be reserved for parents and families. Please try to car pool as much as possible. If you arrive from Centershore road, please be very mindful of parking your car so that it does not obstruct the flow of traffic.

We are looking forward to an enjoyable Pre-Prom celebration, and appreciate your anticipated cooperation with parking and traffic concerns.
